

**J & J Sales & Marketing, Inc.**  
 19201 Blackhawk Pkwy– Unit 87  
 Mokena, IL 60448

**Industrial, Oil & Gas and Commercial Valves**

	<p>General purpose Butterfly Valves thru 72"                  High Performance Butterfly Valves in soft or metal seated                  Complete automation packages</p>	
	<p>Thermoplastic Ball, Butterfly (manual &amp; automated)                  Diaphragm Valves, Check Valves, Strainers and Unions                  PVC, CPVC, PP and PVDF materials</p>	
	<p>Gate, Globe and Check valve thru 56" and pressures thru 4500 PSI                  CI, DI, CS, SS, and low &amp; high temp alloys                  Forged Steel &amp; Pressure Seal valves.</p>	
	<p>Lubricated Plug Valves, 175lb—500lb Pressures                  2-way and Multi-port configurations                  UL/FM approved Valves, AWWA Butterfly Valves</p>	
	<p>Dual, Tilting &amp; Center Guided Check Valves                  Resilient Seated Butterfly Valves                  CI, DI, Bronze, CS &amp; SS Materials</p>	
	<p>AWWA C515 Resilient Seat Gate Valves                  AWWA C508 Swing Check Valve, Lever &amp; Weight options                  for the Municipal Water Industry.</p>	
	<p>High Pressure (Thru 6000psi) Globe valves, Two-way &amp;                  Three-Way Diaphragm Operated Back Pressure                  and Pressure Reducing Valves.</p>	
	<p>API 6D Trunnion Mounted Ball Valves, API 6D Check Valves,                  Flanged, Threaded &amp; Socketweld Floating Ball Valves                  Severe Service Ball Valves / Metal Seated Ball Valves                  API 6D Through Conduit Gate Valves, 2"-48", 150-1500lb</p>	
	<p>Bronze, Carbon &amp; SS Ball Valves, 150 lb to 10,000 lb Pressure Ratings                  Resilient Seated Butterfly Valves                  Full Range of Automated Products to meet the most demanding services</p>	
	<p>Precision Control Valves and Accessories for                  Industrial Process, HVAC &amp; Building Automation,                  Marine Applications &amp; Custom OEM Solutions</p>

**Other Products Offered**

	<b>Dango &amp; Dienenthal</b>	<b>Fully Automated Self Cleaning Filter-Strainer Systems</b> Inline Low Maintenance Design Available in a wide variety of body materials	
	<b>Pneumatic and Electric Liquid Level Controls</b> Pneumatic and Electric Chemical Injection Pumps		
	<b>Stainless Steel Metal Flex Pump Connectors</b> Single and Double Sphere Rubber Flex Connectors CS & SS Metal Expansion Joints		
	<b>Y-Type, Simplex and Duplex Strainers</b> Suction Diffuser Strainers CI, DI, Bronze, CS & SS Materials		
	<b>Class 125 &amp; 250 CI &amp; Ductile Iron Flanged Fittings</b> Redi-Flanges, Compact Reducing Flanges, 150lb to 300lb Flange Converters	 No Welding! No Threading! UL LISTED	
	<b>Custom Insulated Removable Thermal &amp; Acoustic Covers</b> Provide a safe working environment while conserving Energy through heat retention
